

The City of Whiteville is seeking to fill the position of Stormwater Maintenance Worker

**Stormwater Maintenance Worker
Public Works Department
City of Whiteville**

- Salary Range: Discussed upon hire.
 - Full-Time Position
 - Non-Exempt
-

General Statement of Duties

Performs intermediate semiskilled work installing, maintaining, and repairing of a variety of stormwater related projects, and other public works activities.

Distinguishing Features of the Class

Employees in the class will be engaged in a variety of work associated with stormwater collection systems, ditches, and retention systems. Work includes maintenance and repair of storm drain systems, open ditches, and related infrastructure. Work involves ensuring that proper tools, equipment, and supplies are taken to the work site. This employee is subject to working in inside and outside environments including extreme hot and cold weather, day or night, and to work hazards including loud noise, vibrations, moving mechanical parts, exposure to chemicals, fumes, odors, poor ventilation, dust, mists and oils; to include bothersome animals. This employee must exercise judgement and initiative in carrying out assignments. This employee is subject to OSHA Standards on bloodborne pathogens. Work is performed under limited supervision of a Stormwater Crew Leader and is inspected for compliance with instructions, conformance to established standards, quality and productivity or work crews, and adherence to schedules and priorities. Employees are also subject to on-call and call-back work.

Desirable Education and Experience

- High school diploma or equivalent
- Three (3) years of experience in street construction, maintenance, and repair, including light to heavy equipment operation experience

This person must possess a minimum of a valid Class A North Carolina or South Carolina Commercial driver's license and have a high school diploma or equivalent. Desirable experience to include three years of experience in street construction, maintenance, and repair, including light to heavy equipment operation experience and some lead worker experience.

If you are a proactive person and want to be part of a professional team and growing organization, this could be the right place for you!
