The City of Whiteville

Mollie's Branch Stream Restoration and Infrastructure Improvements Project *Notification of Upcoming Door-to-Door Outreach on December 17th / 18th*

Staff from the City of Whiteville and the NC State University Coastal Dynamics Design Lab will be going door-to-door to properties **adjacent to Mollies Branch** during the afternoons / evenings of **December 17th and 18th, 2024** to discuss the necessary easement areas to construct and maintain the Mollie's Branch Stream Restoration and Infrastructure Improvements project.

<https://ncsu.maps.arcgis.com/apps/mapviewer/index.html?webmap=be88eb36801749e8910fd9c965030f51>

All property owners whose properties will require an easement will receive follow-up information via mail from the City in January of 2025.

Thank you for your continued patience as the City works toward the implementation of this important flood reduction project for our community.

Please see the following webpage for additional documents and updates relating to the project:
